

Burglar protection walls

Issued to

PRUSZYŃSKI Sp. o. o.

ul. Sokołowska 32B, PL-05 - 806 Komorów, Sokołów, Poland

manufacturing site

Same as above

Product description

Burglary protection walls made of sandwich panels. The panels are made of 2 metal sheets with a core of mineral wool. See page 2 of this certificate for more details.

Product name

PWS2-MW-ST SAFETY 200 mm and PWS2-MW-ST SAFETY 240 mm. See page 2 of this certificate for more details.

Certificate

The products described above fulfil the requirements as a burglary protection wall in SSF 1047 edition 2 and RISE certification rule, SPCR 177, Certification rules for Standards issued by Swedish Theft Prevention Association (SSF), issue 2022-05-10.

Classification according to SSF 1047 edition 2

Protection class 2

Marking

Products that comply with SPCR 177 may be marked with RISE P-mark according to the requirements in SPCR 177 section 4.3.

Validity

This certificate is valid until not longer than 2028-08-23. The validity of this certificate can be verified at RISE homepage.

Miscellaneous

The manufacturer's factory production control is under surveillance by RISE in accordance with section 5 and 6 of SPCR 177. Other terms and conditions are set out in section 7 of SPCR 177.
